

**The Great Delirium On Helium Interrogation
For
Nicky Wire**

- 1) We've just come back from seeing your gigs in Brussels and Paris, did you find the European audiences any different from the British audiences?

Yes - APART from SCANDINAVIA
+ Spain which were Brilliant - they
DONT DO much

- 2) It was lovely to see you wearing a dress again for the gigs, are we to expect a full return to the leopardskin, feather boa filled glamour days of the early 1990's?

MAYBE

- 3) We noticed that "Faster" and "Yes" were included in the set list again, much to the delight of the fans. Do you find it hard to know what to leave out and what to put in these days now you have five albums to choose from?

Yes - we have too MANY songs
AND were too fast to play them
ALL.

- 4) If you could re-release Generation Terrorists now but could only have five tracks on it, what would they be?

WED re-record the whole
THING - except

- 5) What scares you?

LEAD @ MACHINERY

5 on 6

6) If a shop assistant gave you too much change would you return it?

Yes IF I NOTICED

7) Do you lie to double glazing salesmen?

NEVER MET ONE

8) Have you ever superglued a pound coin to the pavement for a laugh?

NO

9) We notice that Hoover are launching a bagless vacuum cleaner, will you be trying it or are you loyal to Dysons?

I AM A LOYAL PERSON

10) You said on the radio recently that the band will release a Greatest Hits album, would we be right in thinking that James wouldn't want "Revol" on it?

You would be very right.

Thank you for your time!
Love Lindz & Emily
