

DELIRIUM ON HELIUM QUESTIONNAIRE
FOR
NICKY WIRE

So, it's eclipse day today. Is it overrated or are you into all this sort of thing?

its CRAP B&T IT.

Do you think the golf course at Carnoustie was too difficult, or were the players just being pathetic?

I loved it - Greg single shot was pure DRAMA.

On a topical note, now Bonhead has left Oasis, where do you think this leaves the rest of the band?

I think there is a bit of trouble here - I'm sure the reward will be fine.

We've noticed at a few gigs, James does alternative endings to "We live in urban hell" at the end of Motown Junk, all of which are completely inaudible to us, other than the "Paco Rabanne etc etc" that appears on the Everything Live video. They always seem to make you and Sean laugh, are they "in jokes"?

its Just Spontaneous.

So, the Stereophonics had a "sporty" theme to their gig at Swansea's Morfa Stadium, will you be doing the same at the Millennium gig?

NOT SPORT - MUST BE ABOUT MUSIC - NOT WATER
NOT SPORT - MUSIC + ADS

You said in an interview sometime last year that on the Millennium New Years Eve, you would be "in a hotel that takes dogs somewhere in West Wales". What made you change your mind and decide to work instead?

THE hotel was
FULLY BOOKED.

The Manics fan convention takes place in Wales this year. Do you think it's better to have it in Wales than in London, and do you think it's a good idea anyway?

I DON'T THINK IT MATTERS - SWEDEN
WALES LONDON - ITS THE FANS THAT
MAKE IT.

What are your thoughts on Des Lynam quitting the BBC?

DISAPPOINTED

It appears that you're not going to get Terry Venables as Wales football coach, is there anyone else now who you think could do the job well enough, and is the new caretaker manager any good?

I'M VERY VERY HAPPY
WITH MARK HUGHES.

Finally, what's the best book you've read this year?

MANCHESTER ENGLAND
DARE HASLAM
